

LIONS VISION SERVICES

Blind Fishing Sponsorship

Empowering People. Building Community. Cherishing Our Waters.

"Being with people like me helps me know I'm okay, even with my vision loss. It's just so awesome!"

*-Dawn R.
Past Participant*

Our annual Blind Fishing Events each bring together 50 blind and visually-impaired anglers and 60+ volunteers for a full day of fellowship, outdoor recreation, and empowerment.

For many participants, this is more than a fishing trip — it's a chance to build friendships, reduce isolation, and enjoy independence on South Carolina's beautiful waterways.

All sponsorships are valid for one year.

If you donate between May and October, your benefits are valid for the upcoming fall and spring events. If you donate between November and March, your benefits are valid for the upcoming spring and fall.
